18.5 The Ph.D. scholar shall also submit a soft copy of the thesis in the form of CD/DVD with details such as name of scholar, year of registration, name of supervisor and institutional address.

18.6 The thesis must be an original piece of research work characterized by the discovery of facts or by fresh approach towards the interpretation of facts or theories on an applied work of great significance. It should indicate the capacity of the candidate of critical examination and independent judgment. The work should be satisfactory.

19. Appointment of Examiner and Evaluation of Thesis:

- 19.1 Six months before the submission of thesis, the supervisor shall submit five copies of the abstract of work along with a panel of atleast eight experts of the subject concerned in *Appendix-X*. The Vice-Chancellor may, however ask for more names of experts from the Supervisor. In exceptional cases, he may also add names to the panel. In case the subject of the research is such that adequate numbers of experts are not available within India, the panel may consist of two of experts from foreign countries. The Vice-Chancellor shall select and appoint two examiners with alternatives of both of which at least one should be from out of state.
- 19.2 The Supervisor(s) and External Examiners will evaluate the thesis. The examiners shall be requested to submit their report, normally within a period of two months from the receipt of the thesis, in the format provided in Appendix-XI and shall be paid remuneration as fixed by the University from time to time (Appendix-XII).
- 19.3 In case, one or more External Examiner(s) recommend a modification in the thesis, it will be communicated to the scholar by the Director Research. The scholar will be required to carry out the modification as suggested by examiner(s) and resubmit the thesis not before a period of six months. The process of evaluation outlined above will then be followed.
- 19.4 In case one of the external examiners opines that the thesis is not fit for award of Ph.D. Degree, the thesis shall be sent to a third external examiner and the opinion of the third external examiner shall be final.
- 19.5 In case one of the external examiners recommends a modification while another rejects the thesis, the scholar shall be informed accordingly and asked to resubmit the thesis after a period of one year. The revised/modified thesis shall be sent to the same examiners. If, even then, any one of the external examiners recommends further modification/rejection, the thesis will be treated as finally rejected and the scholar will be informed accordingly and his/her registration shall stand cancelled.
- 19.6 If both the external examiners recommend the rejection of the thesis, it will be rejected and the scholar shall be informed accordingly and his/her registration shall stand cancelled.
- 19.7 The period of six months/one year spent in resubmission of the thesis after modification shall be counted from the date on which the scholar was informed about the modification and this period shall not be counted to compute the maximum period for submission of thesis i.e. five years from the date of registration.

20. Viva voce on Ph.D Thesis:

- 20.1 If the examiners unanimously recommend for acceptance of the thesis for the award of the Ph.D. degree the Vice-Chancellor will appoint one of the external examiner(s) to conduct the viva-voce examination jointly with supervisor(s) in presence of Director Research. It would be notified to all teachers and research scholars who may attend the viva-voce examination at their own expenses. However, question, clarifications etc. shall only be asked by the examiners. The examiners shall submit their viva-voce report jointly to the University in the format provided in *Appendix-XIII*. The report shall be placed before the Vice-Chancellor for assent.
- 20.2 If the viva-voce report of all the examiners is of at least satisfactory level the Vice Chancellor may allow issue of a provisional degree certificate to the research scholar and the degree shall be conferred after approval of the Academic Council.
- 20.3 If viva-voce report is unsatisfactory, the viva voce examination shall again be conducted after a period of three months on payment of requisite fee. If the candidate fails to get a satisfactory report in the second viva-voce examination also, the thesis shall be rejected and registration of research scholar shall be cancelled after giving a show cause notice to him.
- 20.4 Conforming the successful completion of the evaluation process, the University shall submit a soft copy of the thesis to the UGC within thirty days for posting the same in INFLIBNET and/or any other appropriate site.

21. Issue of Provisional Certificate and Award of Ph.D. Degree:

- 21.1 The provisional certificate and degree of Ph.D thus awarded by the university shall be accompanied by a certificate to the effect that the degree has been awarded in accordance with the provisions of the UGC Regulations 2009.
